The evolution of breast surgery using PERLE™, the advanced smooth opaque implants

Dear GCA Academy™ members,

We invite you to join us for an enlightening academic webinar led by Assoc. Prof. Dr. Aust, a distinguished expert in breast surgery. This session will provide an in-depth exploration of advanced smooth opaque implants and their impact on evolving surgical techniques and enhancing patient satisfaction and outcomes.

Assoc. Prof. Aust will share his extensive expertise and invaluable insights, focusing on real-life cases to illustrate effective approaches using PERLE™ implants. Attendees will gain a comprehensive understanding of contemporary breast surgery techniques and the practical application of these innovative implants.

Don't miss this opportunity to expand your knowledge and enhance your surgical practice. Secure your place now and benefit from this exceptional learning experience.

Associate Prof. Dr. med. Matthias Aust

Plastic and Reconstructive surgeon

Assoc. Prof. Dr. Matthias Aust is a distinguished plastic surgeon, academic leader and the Director and Chief Physician of the renowned Aust Aesthetik private clinic in Landsberg am Lech, Germany. With a medical degree from the University of Regensburg, Assoc. Prof. Dr. Aust has enhanced his expertise through extensive studies in USA, and South Africa.

His profound knowledge and innovative approach to plastic and aesthetic surgery have earned him recognition and respect in the field, holding numerous prestigious scientific awards.

Assoc. Prof. Dr. Aust has held prominent positions such as Senior Consultant in the Department of Plastic and Aesthetic Surgery at Waldkrankenhaus Bonn and Malteserkrankenhaus Bonn. His academic contributions are significant, and he has authored numerous medical textbooks and papers, enriching the literature in his specialty.

Assoc. Prof. Dr. Aust is a member of esteemed organizations like the German Society of Plastic, Reconstructive and Aesthetic Surgery (DGPRAC) and the World Society of Anti-Aging (WOSAAM). His dedication to advancing the field is reflected in his active roles on several scientific advisory boards.

Assoc. Prof. Dr. Aust's expertise, dedication, and leadership have solidified his position as a prominent figure in Plastic and Aesthetic Surgery.
