Webinar

## Why am I against breast explantation?

Dear GCA Academy™ members,

We are pleased to invite you to an enlightening academic webinar led by Prof. Dr. Alexandre Piassi Passos, an esteemed expert in plastic surgery. This session will delve into the phenomenon of breast implant explantation and explore Prof. Dr. Piassi's professional stance against this trend.

In this webinar, Prof. Dr. Piassi will share his valuable insights on the aesthetic trends and patient concerns driving the rise of explantation, as well as his expertise in addressing these issues. Using real-life case studies, he will highlight the pros and cons of breast implant removal, offering practical advice on how to guide patients towards the safest and most appropriate choices.

Don't miss this opportunity to deepen your understanding of the increasing global phenomenon of breast implant explantation, the underlying causes, and how to best counsel your patients. Secure your spot now to benefit from Prof. Dr. Piassi's unparalleled expertise.

### Prof. Dr. Alexandre Piassi Passos , Plastic and Reconstructive surgeon

Prof. Dr. Alexandre Piassi is a distinguished expert surgeon with over 25 years of experience.
